What's On April-July 2018

Our main Sunday service is the **10.15am morning service** during which we have a range of Sunday school groups for children and young people. Coffee at 10am.

On Sunday mornings we are looking at Gospel Matters from Paul's letter to the **Galatians**. And then at the reluctant Old Testament prophet **Jonah**.

We have lots of church and community focused events over the next few months including our annual **Summer Youth Club** from 24-26 July.

On **Sunday evenings** we continue with our monthly informal service on identity in Christ and our monthly prayer school. The programme is lighter than normal to allow a greater focus on **our local estates**.
